Stop the interruptions - take back your phone from telemarketers and spam

Unwanted calls and spam SMS can be a source of frustration. Whether it's persistent telemarketers interrupting your dinner or irrelevant promotional texts flooding your phone, there are ways to put a stop to them.

You may have forgotten about the Do Not Call register, which is a free service run by the Australian Communications and Media Authority (ACMA). You can register your home, personal mobile or fax number online via donotcall.gov.au or call 1300 792 958. The good news is you only need to register once.

Telemarketers then have 30 days to stop contact. The *Do Not Call Register* legislation applies not only to Australian telemarketers but also businesses within Australia that use overseas-based telemarketers and businesses based overseas making calls to Australian numbers. The register works by requiring telemarketers to submit a list of phone numbers they wish to call to the Register Operator. The Register identifies any numbers that are not permitted to be called and they are removed from calling lists.

Keep in mind research or survey related calls are not telemarketing, so you may still receive these, as well as calls from registered political parties, politicians, government agencies, election candidates, registered charities or educational institutions where you are or were a student. These are all exempt. However, there are still rules to be followed.

Telemarketers can only call between 9am-8pm Monday-Friday and 9am-5pm on Saturdays and never on Sundays. Researchers can call 9am-8.30pm Monday-Friday and 9am-5pm on Saturday and Sundays. Neither can call on a national public holiday. The caller must tell you their name, the name of their employer and why they are calling and their caller ID must not be blocked. They also must end the call if you ask them to.

Unfortunately scam calls won't stop after registration. A legitimate caller should not mind if you want to verify their identity. You should never give an unsolicited caller any personal or financial information, including credit card details, or access to your computer.

Receiving an SMS about a sale from your favourite clothing store is helpful but when do 'helpful' texts turn into unwanted spam? Marketing texts must also follow rules set out by ACMA. The business needs to have your consent, for example you ticked 'subscribe' on a form or entered a competition, include contact details and offer a way for you to unsubscribe or opt-out. After you unsubscribe or opt-out the business must generally stop sending marketing texts within five days.

You can report spam messages to ACMA by forwarding the message to their dedicated SMS line – 0429 999 888, or you can report it online via ACMA's spam complaint form. Also consider blocking the number on your phone. ACMA does take action and most recently issued penalties of over \$3.7 million to Luxottica (Sunglass Hut, Oakley, OPSM), Uber Australia, Kmart Australia and Ticketek for breaches of spam rules.

And just like with unsolicited calls, you may still receive text messages during elections or from registered charities and other Government bodies. More information about rules regarding telemarketers and spam texts can be found at acma.gov.au.

LOCAL Home Care SUPPORT & SERVICES

The **Staying in Place Program** is an innovative community approach that is making it possible for older people in rural and regional areas of Western Australia to stay living in their own home, in their own community.

It is a model that draws on 'locals supporting locals' through coordination from the Dalwallinu CRC and oversight of the approved aged care provider InCasa Country.

HOW WE CAN HELP YOU

If you are over 65 years old, or an Aboriginal or Torres Strait Islander over 50 years old, you could be eligible for a **Home Care Package** funded by the Australian Government.

Eligibility for this package is determined through an **ACAT Assessment**, to identify what support might help you return to, or keep the independence needed to manage your day-to-day tasks. You can easily apply online via www.myagedcare.gov.au.

Our dedicated DCRC Coordinator is on hand to work with you through this process to access the locally available services and support needed to continue living comfortably, safely and independently at home.

The Dalwallinu Community Resource Centre (DCRC) has partnered with InCasa Country to bring this offering to seniors in Dalwallinu and the surrounding regions.

APRIL 2024 STUDENT IMMERSION PROGRAM 2024

"They saw the stars and heard the quiet"

In March, the Shire of Dalwallinu partnered with Curtin University and Rural Health West to organise another 'host' visit of 16 Medical Students to the Shire.

This program would not be able to continue without the support of local host families from the entire Shire who provide accommodation and some meals for the students whilst they are here.

Lecturers
Carrington Shepherd

Dr Anett Nyaradi

This year we were lucky to have several new families become involved and assist with this program. It is an incredible experience for the students and also so very rewarding for the host families.

Our host families this year were Ben and Kirsten Strickland, Di and Geoff Cream, Gary and Kerry Butcher, Jane and Harry Hyde, Jemma and Stuart Counsel, Noel

and Kathy Mills, Sophie and Blayn Carlshausen and Irene Mills.

Some of the students have never been outside of the metro area at all. Without programs like this which allow medical students to experience life in a rural atmosphere we would have even fewer Doctors wanting to practice and become a rural GP.

The overall experience has certainly helped to 'open the eyes' of many of the students to the positives that can be gained by living and working in a rural community.

The students kept referencing 'the community of Dalwallinu made them welcome' and this is a wonderful response from our locals. Their friendly and welcoming attitude certainly helped in changing some of the students ideas about rural living.

The largest thank you as always goes to Gary Butcher who not only volunteers to drive the bus, he is a fulltime tour guide for the entire group during their

visit. The students were all quite amused by his anecdotes and his sometimes inappropriate jokes.

The Shire would also like to acknowledge the support of locals who participated in the program by hosting the students and by highlighting their special perspectives of rural life to the students. These include Andrew Jackson and staff at Coerco, Dr Femi and staff at Dalwallinu Medical Centre, Jeanette Symes and her team at Dalwallinu Hospital, Jon Attwell and the staff at Dalwallinu High School, John Borrett and the volunteers

CEO Jean Knight

Hope everyone had a safe and happy Easter break.

We have received an update from DevelopmentWA regarding the two new subdivisions in Dalwallinu. Tenders have closed and they hope to finalise contracts in the coming months.

The visit to Dalwallinu from the Curtin University Medical Students in mid March was again a hit. Many thanks to those involved with the program, especially to Deb Whitehead and Gary Butcher

CEO Chit Chat

and also the families that hosted the students. Without you, this program would not go ahead. At the dinner held on the final night, the students all spoke about their time in Dalwallinu, and they have taken away many positive memories and more importantly the visit to Dalwallinu has piqued their interest in studying Rural Medicine.

This last weekend we had volunteers from the Field & Game Association in town for another Corella Cull. Unfortunately, the cockies did not hang around for the weekend but they were back early Monday morning. We thank the volunteers for coming to the Shire and I am sure they will be back again next year.

Project Updates

The ablution facility at the Dalwallinu Cemetery has been completed and this facility is now open.

Works are nearing completion on Park Drive (around Memorial Park) and Johnston Street (Shopping Precinct). Congrats to all involved in this project, it looks great.

The mural on the Kalannie CRC building has been completed and

it looks fantastic. Unfortunately, Brenton is a very busy man so we can't get him back for a little while to undertake more art work around the Shire.

We are still awaiting delivery of the equipment for the playgrounds in Wubin & Dalwallinu.

The Hockey Pavilion project is nearing completion.

The Executive Residence in Bell Street will be completed in mid April 2024. This is the last of the houses being constructed along the new subdivision in Bell Street.

It is with much pleasure that I have just signed another five (5) year contract as Chief Executive Officer with the Shire of Dalwallinu. This will take me through to April 2029 and as my tenure will be just over thirteen years at the conclusion of that contract, it will require the Shire to advertise the position.

Since my commencement in 2016, working alongside Council, we have undertaken many important and exciting projects and I look forward to undertaking many more exciting projects over the coming years.

Moving House with Cats & Dogs

If you have moved house lately, have you remembered to update your Dog and Cat registration details?

Lost an animal, or had one pass away? Please remember to let the Shire know so we can amend your records online.

Contact Christie on sfo@dalwallinu.wa.gov.au or by calling 9661 0500.

A Word from the Shire President

SHIRE PRESIDENT Keith Carter

I would like to give a thanks for a couple of tasks the outside crew have completed. The work around Memorial Park looks great and gives the whole area

a smart and neat appearance. Nice for local people and visitors.

Another job that staff have completed to a good standard is the playing fields surface. Due to circumstances of weather and reticulation failures the surface got into a poor state. Manager Works & Services Marc Bennett and his crew have worked hard to recover the situation and the oval should be okay for the first fixture of football this weekend. Thanks all those involved for jobs well done.

On Tuesday 26 March Council travelled to Kalannie for the Ordinary Council meeting which was followed by a Community Meeting. The Community Meeting was attended by approximately 15 people.

Councillors and Senior Staff were in attendance and it is good to see

interest from the public and allow Council to answer a few questions and take note of a few more to ideas to develop. Most interest seemed to be around the Recreation Grounds as the winter sports fixture are about to commence.

I would like to express my sympathies to family and friends after the accidental death in the industrial area last week. It is another wake up call to all employers of the caring and cautious work environment we need to foster. Every person deserves to return from work fit and well.

On the weekend Dalwallinu Bowling club ran another successful 2 day fours event. My congratulations to ex Dalwallinu resident Hamish Stalker ably assisted by Woodsie, Grump Sutherland and Reece Sutherland.

ANZAC Day

on

Thursday 25 April 2024

at the

ANZAC Day Dawn Service

Memorial Park, Johnston Street

followed by

Gunfire Breakfast

provided by Shire of Dalwallinu

ANZAC Day is a national day of remembrance in Australia and New Zealand.

It is celebrated by both countries on 25 April every year.

It is to honour the members of the Australian and New Zealand Army Corps (ANZAC's)
who fought at Gallipoli in the Ottoman Empire during World War I.

It now celebrates all those who served and died in military operation for their countries.

Student Immersion Program Response

Dear Deb,

I hope this email finds you well. I wanted to take a moment to provide some feedback and express my sincere gratitude for the incredible experience I had during our recent trip to Dalwallinu.

Firstly, I want to express my appreciation for Noel and Kathy Mills, our billet family for the trip. Their hospitality went above and beyond anything I could have expected, and I am so grateful to them for opening their home up to my partner and I for the week. They are some of the warmest, most welcoming people I've ever met, and I think that extends to the whole town.

Everywhere we visited, from the hospital and GP clinic to the St John's services and volunteer firefighters, we were met with incredible warmth and enthusiasm. It was truly an amazing opportunity to see how the community came together to welcome us and share their experience of what it is like to live and work in a rural area.

Reflecting on this experience, I find myself more drawn to the idea of rural medicine. I am so grateful for the opportunity to witness first-hand the critical role that health professionals play in a town like Dalwallinu. Through different experiences and conversations with people I could really sense the high value that is placed on their work by the town, and this has greatly impacted my ideas concerning the rural specialty in medicine.

Once again, thank you for welcoming us into Dalwallinu, please express my gratitude to everyone who was involved in organising and running the trip.

Kind regards,
Jordan VanDerWal

Jordan VanDerWal

for opening the Wubin Museum especially for the students, Stewart Benton at the Dalwallinu St John Sub Centre, Sam and the crew at the Fire Service and the staff at the Leibe Group, also the Sawyer Family for once again allowing the students to visit their farm and view the "windmill sheds" and machinery.

Our final thank you goes to Jean and Deb for being the Shire support, cooks and cleaning team and organising this very special event yet again.

The students were keen to share some of their reflections on their visit and the time spent with their host families. We have included a response from Jordan VanDerWal which we received after his visit. It shows the impact that providing this service can have on our future doctors.

During the time spent with their hosts the students have formed a bond and several from last year have returned to Dalwallinu and brought their families up to meet their host families.

This year a couple of weeks after their visit Kerry and Gary Butcher travelled to Curtin with their granddaughters to visit with their host students Abhilash and Param.

They young men were happy to give Gary and Kerry a tour around the university and provide them with an insight into their student facilities.

The Shire would like to continue to engage with Rural Health West and Curtin University next year so we encourage all families in the Shire to consider putting your hand up as a 'host' family next year.

If you want more information about the program and what is involved for the 'hosts' please contact the Shire and speak with Deb or contact a host family from this year.

Easter Pool Party - Dalwallinu Aquatic Centre

It was disappointing to see the very low attendance at the Easter Pool Party hosted by the Shire. Kim put a lot of work in to ensure that the pool and area was looking amazing for the young children. This year Kim had purchased some very brightly coloured sacks for the sack races. There was a miniature photo booth for the very young ones and decorations around the centre.

Thank you to the parents who attended with their children. The unfortunate downside to a low attendance for the parents was that all the children ended up loaded with chocolate. Those who were there appeared to enjoy themselves.

A big thank you to the volunteer helpers, Sam Dickins, Deb Whitehead and Matilda Jolly who assisted Kim to ensure all those who were there enjoyed some fun games and chocolate rewards. These included the normal egg hunt and egg and spoon races. Due to low numbers the other games were not played.

Thank you to Kim for his efforts.

REMINDER: - Telstra 3G Network shutdown in June 2024

The Telstra 3G network closes on 30 June this year.

The network will be switched off in June 2024, but between now and then Telstra will have to upgrade its 4G coverage to ensure regional customers in an area totalling around 770,000 square kilometres across Australia don't lose network access. While this area is almost

a third of the total area Telstra covers, the telco said only a very small percentage of customers would be affected.

To ensure that your mobile phone is compatible with the Telstra network just send an SMS with the number 3 to 3498 to receive almost instant advice on your device.

Responsible Pet Ownership

The Cat laws are about encouraging responsible pet ownership and reducing the number of unwanted cats in the community and the number that are euthanised each year.

All cats that have reached six months of age are required by law to be:

- microchipped
- sterilised; and
- registered with the Shire

Under The Dog Act 1976 and regulations, any dog over the age of 3 months should be registered within the Shire.

All dogs need to be microchipped. Proof of microchipping is required at time of registration.

Please be a responsible owner and secure your animals by registration.

Legislation applies to Cats after six months of age and Dogs after 3 months.

Registrations are due on 31 October each year. Please don't risk losing your precious pets by not having them registered.

FOOTY REPORT

Round 1 in Mukinbudin

The Kalannie bulldogs travelled to Mukka last Saturday to take on Bencubbin in a much hyped season opening encounter.

The doggies had local players, Reuben Cail, Zac Sanderson, Kaden Reynolds, Regan Jefferies, Luke Coleman, Liam McCreery and Sam Nixon all on board, with Sam making his debut for the club.

With the Perth bulldogs having new inclusions of Alex Swainey, Ben Johnson, Conner Bradbury and Tom Edwards and the balance returning from last season expectations were high.

With the benefit of a good preseason and the majority of last years list back, confidence in the group was high. With coach DJ Acres side lined the lads began with gusto and completely dominated Benny in all aspects of the first quarter. With Connor Bradbury dominating the ruck, supply was not an issue and with Zac Sanderson in poker hot form and Mitch Cameron on target the lads lead 6.0.36 to Benny's 0.1.1 at the first break.

Not much changed during quarter 2, although Benny were always going to fight back, they have a new side and needed that game together to build from.

Quarter 3 belonged to Benny, they actually out scored the locals, who were then stung into action via a DJ spray and their own self analysis.

An exceptional 4th quarter saw the doggies home 15.7.97 to Bencubbin 5.6.36.

In a game where all contributed Zac Sanderson stood out and was best on ground, Mitch Cameron kicked 6, with new dog Ben Johnson booting 4. It was a great start for the boys, they have worked hard during the off season and will once again be able to play out 4 quarters of quality footy in season 2024.

Well done lads and well done Sam who played well and has settled into the side nicely.

Great job Doddy, in his first game as manager, well done, thanks Brett Scally (flags) and Gadget (timekeeper), boundary umpires and the dug out crew for traveling over.

The Carnival day to start the season is working well and Mukinbudin did a wonderful job of hosting, well done Damo and the crew.

Best on ground sponsored by Kalannie AgQuip, Zac Sanderson

2nd best sponsored by Kalannie Contractors, Nick Bowe

3rd best sponsored by WA fuels, Tom Edwards

Kalannie Komets's Report

The Komets came out hard against Bencubbin this weekend unfortunately having a loss 21-64. We are excited to have five new Komets this year: Karen, Rudo, Chelsea, Bella and Dennika, who all played their first game for us on Saturday. A huge effort to those who stepped onto a netball court for the first time! Thank you to Mirrante who stepped up to coach the girls on the weekend. We are thrilled to have Emily Coleman back in shooting for the Komets again.

This year Komets are being captained by the incredible Ashlee Gartrell and Vice-Captain is Eske McLellan.

Players' choice this week went to Bella Reeves who played an incredible game in GK. She stayed on her defender and worked hard to get the intercepts and rebounds, amazing work Bella! Coaches award went to another defender Sally Ellis. Thank you to the 2024 sponsors for supporting the Komets this year, we look forward to a great season together!

Hockey Wrap Up!

Kalannie vs. Bencubbin

0 - 1

We had our first game for the 2024 season against Bencubbin and what a start the girls made! Everyone came out with force and gave a great fight. We had determination in our attacking, having a few attacking short corners! Defenders were exceptionally strong, including Tinneil making her debut as our goalie for 2024! She did an incredible job, only having just stepped into the role a few weeks ago. We were lucky this week to be joined by a few juniors who provided great running, attacking and defensive skills. Thank you to Tyler McCreery, Paige Lobwein and Chad Lobwein for joining us on Saturday.

This weeks' Players Choice award was sponsored by Mark and Helen Sutton and went to Tyler McCreery and Sally Ellis. Tyler played a fantastic game and was moving around the field with expertise! Coaches award sponsored by Bunnings Northam went to Bella Reeves who played her first game for Kalannie, and we are so excited to have her on board!

A huge thank you to Catherine Hudson for stepping up at the last minute to umpire! We appreciate you greatly. Congratulations to Brett Lang for coaching the girls through their first game, it was an incredible effort. Lastly, thank you to our 2024 sponsors who have come on board this year we are very excited to have your support for what is set to be a great season.

CORN PIKELETS

Traffic light category: **Green**

Serves: **20**

Ingredients

- 2 cups self-raising flour
- 2x 400g cans creamed corn
- 4 tablespoons reduced fat milk
- Olive oil or canola spray

These have been trialled by our team using gluten free flour and work very well

Method

1. Mix flour, creamed corn and milk together in a large bowl. This makes quite a thick batter, more like damper than pancake mixture
2. Heat a large frypan and spray with oil
3. Use a large spoon to dollop spoonfuls (about $\frac{1}{4}$ cup size) of batter into the frypan. Cook on a medium heat until golden brown on that side, about 3-5 minutes. They will puff up a bit too. Flip over and cook for another 3 minutes, or until golden brown.
4. Repeat until the batter is all used.

Variations

- Add 2 eggs to make these fluffier and higher in protein
- Fresh, frozen or canned veg will bulk these up and make them even healthier
- Try tinned corn, frozen beans, grated sweet potato
- Add pops of flavour like pepper, curry powder, sundried tomatoes, chillies, Italian herbs or olives
