# The WA Student Assistance Payment

Helping you get the things you need for your kids.

**\$150**

For each Kindergarten  
and primary school student.

**\$250**

For each secondary  
school student.

Find out more

[education.wa.edu.au/wasap](https://education.wa.edu.au/wasap)

If you're a parent or carer of school-aged children, you can claim the third round of the WA Student Assistance Payment. This payment helps with the cost of things your kids need for school - from new shoes, backpacks and sports gear, to uniforms, healthy meals, excursions and more.

All WA school students from Kindergarten to Year 12 are eligible if they have an active enrolment at a public school, non-government school or are registered for home education in Pre-primary to Year 12.

Claims are open from 20 July to 25 September.

Claim on the  
ServiceWA app

1 Take a small step to help overcome a problem or worry

2 Adopt a growth mindset. Change "I can't" into "I can't...yet"

3 Be willing to ask for help when you need it

4 Find something to look forward to today

5 Get the basics right: eat well, exercise and go to bed on time

6 Pause, breathe and feel your feet firmly on the ground

7 Shift your mood by doing something you really enjoy

8 Avoid saying "must" or "should" to yourself today

9 Put a problem in perspective by seeing the bigger picture

10 Reach out to someone you trust and share your feelings with them

11 Look for something positive in a difficult situation

12 Write your worries down and save them for a specific 'worry time'

13 Challenge negative thoughts. Find an alternative interpretation

14 Get outside and move to help clear your head

15 Set yourself an achievable goal and take the first step

16 Find fun ways to distract yourself from unhelpful thoughts

17 Use one of your strengths to overcome a challenge today

18 Let go of the small stuff and focus on the things that matter

19 If you can't change it, change the way you think about it

20 When things go wrong, pause and be kind to yourself

21 Identify what helped you get through a tough time in your life

22 Find 3 things you feel hopeful about and write them down

23 Remember that all feelings and situations pass in time

24 Choose to see something good about what has gone wrong

25 Notice when you are feeling judgmental and be kind instead

26 Catch yourself over-reacting and take a deep breath

27 Write down 3 things you're grateful for (even if today was hard)

28 Think about what you can learn from a recent problem

29 Be a realist's optimist. Focus on what could go right

30 Reach out to a friend, family member or colleague for support

31 Remember we all struggle at times - it's part of being human

### **Can a WA retailer refuse your cash? Here's the deal**

These days it's more common to tap a bank card or phone than it is to rummage through your wallet to pay with notes and coins. But as digital transactions dominate, many people are wondering whether businesses can refuse cash payments.

In January this year, the Federal Government introduced a new cash mandate compelling some businesses to accept cash payments.

Under the Cash Acceptance Industry Codes, supermarkets and certain petrol stations must accept cash for in-person payments between 7am and 9pm, unless the purchase is for more than \$500.

The cash acceptance rules do not apply to:

- any other industries
- small businesses with an annual turnover of less than \$10 million
- fuel retail sites that don't regularly sell unleaded petrol.

Some people assume that because cash is legal tender, businesses must accept it. However, the law is a little more complex.

Outside of the cash acceptance mandate, businesses can choose the type of payment methods they accept, including refusing cash. Businesses are allowed to set these conditions as part of the terms of sale, provided customers are clearly informed before you make a purchase.

For example, if not accepting cash payments, a business may display a clearly visible sign at the entrance or checkout, or staff may advise customers that the business does not accept cash payments.

Some consumers prefer to use cash because it helps them avoid card surcharges. While businesses can charge a surcharge for card payments under the Australian Consumer Law, the fee must reflect the actual cost of processing the payment, such as bank or terminal fees. Businesses must be able to justify any surcharge they charge.

It's also worth remembering that accepting cash comes with costs for businesses, including staff time, cash handling, and banking expenses.

# Consumer Watch

Department of Local Government,  
Industry Regulation and Safety

If you prefer to pay your utility bills, council rates, and phone bills with cash, you can still do so by using Post Billpay, a service available at Australia Post outlets.

Ultimately, buying goods or services is an agreement between you and the seller. You do not have to agree to make the purchase if the payment methods aren't acceptable to you. However, unless the business is covered by the cash acceptance mandate, they can legally refuse cash so long as they have made this clear before the sale.

The Australian Competition and Consumer Commission is responsible for enforcing compliance with the Cash Acceptance Industry Codes. If you believe a business is breaching the rules, try to raise the issue with them first. If the matter can't be resolved or you need further advice, contact Consumer Protection on 1300 30 40 54.

# Kochii Eucalyptus Oil has rebranded to become Fasera.

## We've changed our name, not our vision.

At the same time we've been producing incomparable Australian eucalyptus oils, we've also been building our position as a global leader in sustainable agricultural carbon sequestration.

Now, operating as Fasera, we produce carbon credits, biochar, wood vinegar and eucalyptus oil via our carefully selected and managed estates of oil mallee trees on land owned by local farmers. Whilst we are changing and expanding, our roots remain firmly in Kalannie, the wheatbelt and Western Australia.

## KALANNIE VS BEACON

### Job Vacancy: Forward Development Coach – Kalannie Football Club

The Kalannie Bulldogs are currently seeking a **Forward Development Coach** after producing enough behinds at Beacon to qualify for a darts tournament. Salary: Negotiable. Paid in cold beers, post-game feeds and eternal club legend status.

Fresh off a loss last week, the Dogs made the trip to Beacon to take on the Bombers. Things got off to a less-than-ideal start, with two of our interchange players ruled out before the opening bounce, leaving us with one on the bench.

Despite that, the Bulldogs came out absolutely breathing fire. We dominated the contest all over the ground, led by our local boys who deserve a massive wrap. The hard work they're putting in on Tuesday & Thursday night trainings is paying off in spades. Numbers have been strong, skills are improving every week, and if you're looking for something to do on a Thursday evening, get down and support the crew—you won't regret it.

Aiden "Credda" Credlin grabbed the game by the scruff of the neck and set the tone early, crashing packs, winning contests and slotting two majors by the final siren.

Then there was Mitchell Cail. Where has this bloke been hiding? He pulled out an absolute ripper, hauling in 10-plus overhead marks like he'd fitted Velcro to his hands. He even had time to help an opponent back to his feet before calmly lining up for goal. That's country footy at its finest.

Now, back to the job advertisement... **Essential Criteria:** Ability to teach footballers the difference between the two big sticks and the two little ones: Experience converting dominance into six-pointers.

Thankfully, once we remembered what the big sticks were for after 14 points, the floodgates started to open.

Tom Mac finished with four goals, but that hardly tells the full story. If there was a scoring chain, chances are Tom had fingerprints all over it. Whether he was kicking them or setting them up, he seemed involved in just about every major we scored.

**Kalannie Bulldogs 9.22 (76) defeated Beacon Bombers 5.6 (36).**

A massive thank you, as always, goes to the incredible volunteers who give up their time every single week to keep this club running. From the people in the kitchen and canteen to the committee, timekeepers, trainers and everyone else behind the scenes—we simply couldn't do it without you.

Another huge thank you goes to our amazing sponsors. Next week is **Sponsors Day** at home, so please take the time to thank the local businesses and companies whose generosity keeps the Bulldogs on the park.

It's also our **final home game of the home-and-away season**, so let's pack the ground and give the boys a huge send-off before what promises to be an exciting finals campaign. And if you're reading this. Yes, I'm talking to you.

### Kalannie Komets : Kalannie 69 – 14 Beacon 🔥

Well, the sun was cranked up but Kalannie's fire was hotter.

Our girls came out with purpose and never let up, running away with a massive 69-14 win. The ball movement was slick, the defense was fierce, and the shooting was on point all day.

Beacon fought hard in the heat, but Kalannie played with hearts, soles, and a whole lot of netball smarts. Every girl backed each other up and it showed on the scoreboard.

\*Coaches Award:\* Beth - for leading by example and never dropping her standards

\*Players Choice:\* Paige - voted by the team for her spark and support all game

### Hockey Write Up: Kalannie 3 – 2 Beacon 💪

It was tight, it was tough, and it was ours.

In weather that was hotter than a pavlova in January, the girls dug deep and came away with a gutsy 3-2 win. Every tackle, every run, every cheer mattered.

With this result, \*Kalannie Hockey Club has officially finished 3rd on the log\*! What a season. Proof that hard work, teamwork, and good spirits get you places.

\*Coaches Award:\* Ash - for grit, hustle, and putting her body on the line

\*Players Choice:\* Nin - for her energy and being the ultimate team player

\*THE VIBE\*

Yes it was hotter than usual, but that did NOT stop our girls. They put their hearts and soles into both games, played with smiles, and supported each other like the great teammates they are.

Two games. Two wins. One proud club. ❤️💛

Well done Kalannie!

## WARRIOR WELLBEING ARTICLE

### Bowel Health – It's Worth Giving a Shit!

BY THE REGIONAL MEN'S HEALTH INITIATIVE  
August 2026

The bowel is an important part of our digestive system, but what is it, and what should we be aware of when weighing up our overall bowel health?

The bowel is made up of 3 parts:

1. The *small intestine* is around 6 meters in length and is the narrower (small) section of the bowel. It absorbs the nutrients in the food we digest.
2. The *colon* and rectum make up the larger intestine, it is much shorter but thicker. Its role is to reabsorb fluid and process the waste material.
3. Finally, the *rectum* is where the waste material is stored until we go and *drop a log* so to speak.

What comes out and the frequency of our bowel movement is something else we should take note of. Our poo or stool should be soft, sausage shaped and should not require too much effort to pass. The frequency can depend on individual habits, changes to our diet, but the main thing to remember here is a sudden change in your poo routine could indicate other issues.

What's *not* normal?

**Signs of Blood:** Bright or fresh signs of blood on the toilet paper could be the result of haemorrhoids (usually a result of constipation or straining too hard) or wiping too hard and frequently can cause small cuts/tears on the anus. Blood in the poo (especially darker blood) could mean bleeding further up the bowel and should be discussed with a doctor immediately.

**Constipation:** Dry or hard poo sometimes associated with cramping or bloating in our lower abdomen (something we have all probably experienced) can often be resolved with some lifestyle changes i.e. drinking plenty of water, eating a diet high in soluble fibre (fruit/vegies/oat bran/lentils/beans) and an increase in physical activity.

**Diarrhoea:** We have all probably had a mean curry that has caused us to frequent the loo, but diarrhoea is usually caused by our intestine becoming inflamed and irritated affecting the reabsorption of water from the waste material. This can be caused by numerous factors such as: illness/infection, food poisoning, drinking contaminated water, ulcers, stress and certain food intolerances.

**Leakage:** Accidental leakage or incontinence can be associated with severe diarrhoea but can also be caused by weakness or damage to the muscles around our bowel and anus. The Continence Foundation of Australia is a great resource to get assistance, advice and support if you are affected by incontinence.

If any of these issues are having an effect for more than 2-3 days, a visit to the doctor is recommended. A prominent cancer is bowel cancer and can remain undetected until well advanced. Participate in the free bowel cancer screening test from the age 45 onwards – it saves lives!

Remember good bowel health and our digestive system is often compared to being just as important as brain function, just at the other end of the body. Remember it is worth giving a shit about!

## Former Wheatbelt local leads charge for cancer research appeal

A Wheatbelt-raised local now living in Perth is encouraging West Australians to support Cancer Council WA's 2026 **Daffodil Day Appeal**, following her shock breast cancer diagnosis in late 2023, despite having no symptoms. Kate Robertson, who grew up in York has become the face of this year's appeal after undergoing treatment for HER2-positive breast cancer. The 59-year-old grandmother and healthcare professional said her diagnosis came as a complete surprise when a routine screening mammogram revealed a tumour she could not see or feel.

"I had no clue that cancer was even on the cards. I had no symptoms whatsoever. I checked my breasts regularly, and even after my diagnosis, specialists told me they wouldn't have been able to feel the tumour either," Ms Robertson said.

Diagnosed with stage 2 breast cancer in December 2023, Ms Robertson underwent chemotherapy, surgery and radiation over the following year. Drawing on the resilience she learned growing up in a farming family, she said she approached treatment with determination.

"I'm from a family of farmers. We are pragmatists. We deal with facts. I absolutely think the research that came before my diagnosis helped me. Without money there is no research. I'm here because of a discovery that was made 10 years ago. Who might still be here in 10 years because of the research we are funding today? The legacy of every donation stretches far beyond today. It will help people and families for generations to come," she said.

Despite advances in treatment and improving survival rates, almost one in two Australians will be diagnosed with cancer by the age of 85. The discoveries we make now won't just save lives, they'll shape how people live beyond cancer for years to come.

This year marks 40 years of Daffodil Day - a symbol of hope that has brought West Australians together to fund vital cancer research and support people like Kate. With the support of all West Australians, we can help ensure the next person diagnosed has that same chance.

When talking to the dogs  
doesn't cut it...

1300 17 55 94 | [ruralaid.org.au/mhwb](http://ruralaid.org.au/mhwb)

One conversation at the right time with the right person  
can change everything.

Rural Aid provides free emotional and mental health support  
to people living and working in rural and remote communities.

**Our counsellors  
are really good  
listeners too!**

We offer short term or formal counselling  
conversations and practical help to work with you  
through difficult times.

We can talk on the phone or visit farmers on their  
properties, meaning our counsellors are more than  
happy to have a cuppa and a yarn.

If you are a farmer, a farming family or you know of  
someone who is experiencing stress from drought,  
fires, floods, agri-stress, relationships, farm life in  
general or any other hardship impacting on your/their  
wellbeing, contact us for confidential support.

For further information email | [mhwb@ruralaid.org.au](mailto:mhwb@ruralaid.org.au)

1300 17 55 94 | Monday to Friday | 9am-4pm

After hours calls will be returned the next working day | If you or someone else needs immediate help,  
call 000 or Lifeline on 13 11 14 | If calling on behalf of someone else, make sure they're ok with it.

## MENTAL HEALTH AND WELLBEING TIPS:

### GET ENOUGH SLEEP AND REST

Sleep affects our physical and mental health and can be the first thing we trade in when we get busy or stressed.

### SCHEDULE TIME FOR THINGS YOU ENJOY

Balance in life is important, so taking time out for things you enjoy can make a difference to how you think and feel.

### BE ACTIVE AND EAT WELL

Our physical and mental health are closely linked, so ensure that you are exercising and eating nutritious food.

### NURTURE RELATIONSHIPS AND CONNECT WITH OTHERS

Our connection to others is what keeps us strong, especially during challenging times. Ensure you have people to connect with (face-to-face, over the phone or virtually).

### ENSURE YOU ARE ADOPTING STRATEGIES TO MANAGE YOUR STRESS LEVELS

If you have are having trouble relaxing or managing intrusive thoughts, the websites below provide an array of tips and tools that can assist you.

### MAKE A 'TASKS LIST'

Break large tasks into smaller, more manageable tasks which can be prioritised in order of importance.

### FOCUS ON WHAT YOU CAN CONTROL

Direct your time, energy, and resources towards things you have direct influence over, rather than things outside of your control (weather/climate, government regulations, commodity markets).

### BRING OTHERS TO THE TABLE

Another set of ears and a logical brain can help with processing and retaining information.

### KEEP THE LINES OF COMMUNICATION OPEN

Schedule regular farm business meetings and don't avoid making decisions.

### KEEP IN REGULAR CONTACT WITH INDUSTRY PEERS, GROWER GROUPS AND CONSULTANTS

They are sources of trusted and valuable information and can also be a good social connection.

### PREPARE AND PLAN FOR THE UNEXPECTED

Contingency planning can avoid further stress.

### BE AWARE OF THE RISKS ASSOCIATED WITH BEHAVIOURS OR COPING STRATEGIES THAT ARE UNSAFE AND PUT YOURSELF AND OTHERS AT RISK

Unsafe alcohol consumption, misuse of prescription medication and use of illicit drugs.

### TAKE TIME TO PAUSE, BREATHE AND REFLECT

A simple moment of reflection helps us connect our minds with our feelings. It enables us to connect what's happening around us with what's going on in our heads and hearts. Taking the time to ask the right questions of ourselves, and time to get a thoughtful answer, gives us perspective, direction and clarity. By taking time to pause and slow down our breathing (deep circular breaths), we slow down a racing heart, reducing the symptoms of stress headaches and muscle tension.

### PARTAKE IN HELP SEEKING BEHAVIOURS

Please see below for information on Support Services and Helplines available.

### ORGANISE AN INFORMATION SESSION OR WORKSHOP:

Increasing your own and others understanding of the risks, protective factors, unsafe/risky behaviours, coping strategies, wellbeing, and community resilience is a powerful tool in improving empathy, connections and the overall safety within a community. Please contact Holyoake's Prevention Team if you would like to organise an information session or workshop for your community.
